## “DESIGN, FONCTIONNALITÉ ET LARGE GAMME”

*Cette collection aux lignes neutres et pures, offre une grande variété de dimensions. La combinaison des différents produits de la collection permet des solutions versatiles et des résultats surprenants pour toutes les salles de bain.*

# Main Features

## Design

*The purity of a minimalistic contemporary design, but with a slightly softer, refined, feminine touch for a warmer and more comfortable atmosphere.*

## Optimal functionality and storage

*solutions to enhance superior com usage = push & pull system for furniture*

## Soft Closing

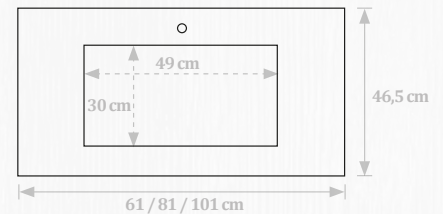

*Doors and drawers are equipped with a slowing device for slow and silent closing.*

## Quality and Durability

*Only the highest quality environmentally-friendly materials are used to construct our furniture. Each component is multiple-tested during fabrication to ensure its solidity, resistance and durability.*

## Easy Installation

*Simple, quick and convenient, all our furniture comes preassembled. No adaptation is required for the installation of ceramics or fittings.*
